

SRWC & ONAT Parking Permits

University parking permits will now be e-permits instead of the traditional hangtags. This means your license plate will become your parking permit and you will no longer use a physical permit. You will be able to register two license plates and the computer system will instantly know that your vehicles are permitted to park on campus.

Parking permits are available at <https://akronguest.thepermitstore.com/>.

CLICK "SEARCH" TO VIEW ALL PERMITS

Pre-Approval Search
University of Akron Guest offers Pre-Approved Permits.
To see if you've been pre-approved, please enter all applicable data below.

Police Academy:
Campus Vendor:
Visiting Student:
Direct Connect :
REC/ONAT: **ENTER CODE, THEN CLICK SEARCH**

On the REC/ONAT search bar
enter in your code:

CODE: FREE1

After clicking "Search," all pre-approved permit options for the code you entered will show. Read each description under the permit title to make sure you are correctly selecting the permit (click "more" for important parking information). Then select permit option by clicking "Add Item." Other permit options will show, but only select the permit type with Rec/ONAT in the title of the permit. You will be required to create an account which will allow you to change account or license plate information in the future if necessary.
