How to register:

Swimmers who participated this fall just need to email Registration@cfyntigersharks.com and let us know you'd like to do long course. **Please include your current t-shirt size.** We will then transfer your paperwork to the long course season and send an invoice to you. Please note, by registering you agree to continue to follow all current team and facility Covid protocols.

Swimmers new to the team please review the registration packet on cfyntigersharks.com including the Covid protocols and Lyndey's law. Fill out the registration form and submit it to Registration@cfyntigersharks.com.

Priority Registration:

Due to Covid restrictions space on the team is limited. During the first week of registration priority will be given to returning swimmers who participated in the 2020/2021 short course season. New swimmers will be put on a waiting list in the order their registrations are received. On May 19th we will process registrations from the waiting list to fill in the remaining openings.

Meets:

All swimmers are strongly encouraged to attend as many of our long course meets as possible. 3
