

2017 Sleigh Ride Spectacular Basket Raffle & Contest

We are getting ready for our 4th annual Sleigh Ride Spectacular Invitational! At this meet instead of our usual 50/50 drawing where there is only one winner (who never seems to be you...I know it's never me either!)...we will have a prize basket raffle with multiple winners! We are currently gathering some awesome prizes from area businesses and/or Tigershark Parents. If you or someone you know would like to donate something of a \$50 or more value we can give you a heat sheet ad and/or team sponsorship based on the value of the donation as a thank you. Contact Becky for more info!

Practice group basket contest!

You can also help by donating items to the Practice Group baskets discussed below. The prize? The two practice groups that sell the most tickets will each get a fun practice day for the winning practice group which will include fun relays, water games & activities. Last year jumps off the Akron high dive were even included! Then they'll be treated to cookies and punch at the end of their fun practice. ***Plus, if the team as a whole sells more basket raffle tickets than last year, the whole team will earn a special treat! Last year we had \$943 in ticket sales, can we break \$1,000 this year?!***

How do you help your swimmer win this fabulous prize and be the envy of all other practice groups?

Each practice group has been randomly assigned a basket theme. We are requesting donations that we can make prize baskets out of for those themes. The two practice groups baskets that sells the most raffle tickets win! We'd like to collect enough items from each group so that we can make attractive baskets for both the morning and afternoon sessions of the meet. This will maximize your group's ticket selling potential!

No problem, just put a monetary donation in an envelope with your swimmer's practice group(s) on it and we will combine the money we get for each group, and put the fabulous items we buy in the appropriate practice group basket(s). If you'd like to write a check please make it out to CFYN and note which group it is for. Any amount is greatly appreciated!! Donations can be turned in to Becky or Keith Turnbull. Small items can be left in the Turnbull mailbox at Akron. Please put any checks, lottery tickets, gift cards etc...in a sealed envelope with the age group you want credited noted. For larger items you can give them to us at practices or meets. Please (this is very important!) attach a note indicating the age group you want credited to all items you donate. Be sure to attach this note even if you hand the item to someone in person so we can be sure to keep accurate records. We will try to post on Facebook when we will be available at practices and meets.

Baskets: If you have large baskets or Christmas themed boxes, or other creative things we can put the prizes in please send them our way. We will return them to you if we end up not being able to use them for some reason. (Please label these items with your name on a removable label).

Please get all your raffle donations to us by **December 8th** so our crafty elves will have time to put everything together and make it look pretty! Then don't forget to bring some extra cash to the Sleigh Ride Spectacular so that you can buy tickets to boost your Swimmer's practice group sales, and win fabulous prizes!!!

Remember all items should be new and food items should be non-perishable.
Thank you in advance for your generous donations!
