SRWC & ONAT Parking Permits

University parking permits will now be e-permits instead of the traditional hangtags. This means your license place will become your parking permit and you will no longer use a physical permit. You will be able to register two license places and the computer system will instantly know that your vehicles are permitted to park on campus.

Parking permits are available at **https://akronguest.thepermitstore.com/**.

On the REC/ONAT search bar enter in a code that directly corresponds to how many months you want to buy:

CODE: 1MONTH or **CODE:** 2MONTH or **CODE:** 3MONTH or **CODE:** 4MONTH, etc….all the way up to **CODE:** 1YEAR

All passes are $11/month + $1.50 processing fee per transaction. ***Passes become active for purchased timeframe on the date of purchase.***

After clicking "Search," all pre-approved permit options for the code you entered will show. Read each description under the permit title to make sure you are correctly selecting the permit (click "more" for important parking information). Then select permit option by clicking "Add Item." Other permit options will show, but only select the permit type with Rec/ONAT in the title of the permit. You will be required to create an account which will allow you to change account or license plate information in the future if necessary.

There is a tutorial page with a step-by-step instructional example on how to order your permit. Make sure to read all the parking information provided within the application regarding all UA parking rules and regulations. By submitting your application, you agree to abide by all UA parking rules and regulations.

Tutorial located at:
www.uakron.edu/parking/iparq.dot

If you have any inquiries about your parking permit, where your permit allows you to park, ADA documentation, refunds, or any other parking related questions, please contact;

Parking and Transportation Services Office at parking@uakron.edu or 330-972-7213.
