

SRWC & ONAT Parking Permits

(UA students/employees are not eligible for this pass)

Parking lots on The University of Akron Campus are managed by UAkronPark (a third-party concessionaire). Any SRWC Member or community swim & dive member practice participant that wants to park in a UA parking lot, must register their vehicle and purchase a monthly or annual pass through the UAkronPark system.

Alternatively, there are QR codes that are positioned **in the parking lots** that allow you to pay a per hour/day rate each visit. Scan the QR codes in the parking lots to pay.

After registration, your license plate is your parking permit.
